New Kippo Models Range

KIPPO MODELS

Over the course of the next year, Kippo Models will be slowly discontinuing their current range of cast resin kits and replacing them with a brand new range of FDM 3D printed kits. This will affect both Kippo Models and British Outline Buildings and will be easier to build and paint as they will mostly consist of one large piece.

This is your last chance to order from their current catalogue as once they are discontinued they will be gone for good. Please call, email or go on our website to see what's available.

GRS Open Day 2025

20th & 21st Of June, 10am - 4pm

We have LGB representatives present on both days to talk to our customers and answer questions along with an LGB and a general sale across the shop on most of our brands. Last year was a huge success with most customers wanting us to hold one every summer in future.

Please phone to book your place on either or both days. Refreshments will be provided and parking is available around the back of our shop. We look forward to seeing you all and hope you enjoy this 2 day event.
